

Section 3 - External Auditor Report and Certificate 2023/24

In respect of **Over Norton Parish Council**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor limited assurance opinion 2023/24

Except for the matters report below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

A review of the Finance Section on the Council's website has found that the Council has not fully met the requirement of the Accounts and Audit Regulations 2015, Regulation 13 (1) which states that the audited Annual Governance and Accountability Return should, on conclusion of the audit, be available for public access which includes publication on the Council's website. The Council amended their return in the prior year during the 2022/23 audit process however the amended version of the return has not then been published on the Council's website. The Council should bring this into line with the regulations as soon as practically possible.

Other matters not affecting our opinion which we draw to the attention of the authority:

On review, the council's general reserves are higher than the generally accepted level for smaller authorities. General reserves are the level of reserves after adjusting for any earmarked or ringfenced funds. The council informed us that the build up of reserves is because the councillors are waiting for more information of village hall repair costs before earmarking funds. Per Paragraph 5.33 of JPAG Practitioners' Guide, better practice suggests that general reserves should cover at least 3 months of expenditure and anything greater than 12 months of expenditure is considered excessive. The council has assured that plans are in place to reduce the level of reserves.

Insufficient information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The Parish Council should in future ensure that all the necessary supporting information is provided with their annual submission.

The internal auditor has provided a 'Yes' response at control objectives L and N on their report. This suggests that the Council correctly published all relevant documents on its website. As the Council currently has not published the audited 2022-23 return following amendments made during the 2022-23 limited assurance review, the answer to these points should have been 'No'.

3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
